

## **TRAFFIC VIOLATOR SCHOOL CLASSROOM LOCATION LIST**

TRAFFIC VIOLATOR SCHOOL UNIT  
P. O. BOX 825383 N-229  
SACRAMENTO, CA 94232-5383

### ***IMPORTANT! PLEASE READ:***

A court may refer you to a traffic violator school at any time. However, California Vehicle Code Section 1808.7 mandates that only one citation in an eighteen (18) month period be masked from public view on your driving record. The eighteen (18) month period is calculated from citation/violation date, not class attendance date.

You may attend any school listed in any area, unless the court instructs you otherwise. **In addition to any court fee, a fee will be charged by the school.** While the overall traffic safety information imparted is similar, the methods of instruction and class fees vary. You may wish to call a variety of schools to determine what school you wish to attend.

This list is arranged alphabetically, by county and alphabetically, by judicial district within each unconsolidated county. Following the name of each county is a listing of the cities in which classes are offered within that district. Each city is numbered. The city numbers are noted after or below each school name to show the cities in which a specific school offers classes. Listed on pages 13 and 14 of this list are schools that provide foreign language instruction. The schools are listed by county in which instruction is provided.

Notwithstanding an emergency, when cancelling less than four days prior to a class, the school shall offer to provide students an alternate class, at a cost not to exceed the cost of the department completion certificate and any other certificate required by the court.

When cancelling four or more days in advance of a class, the school is entitled to either refer students back to the list to find another traffic school provided they do not make reference to a specific school or offer to provide students an alternate class, at a cost not to exceed the cost of the department completion certificate and any other certificate required by the court.

When you have completed the course, the school will issue you a completion certificate. **It is your responsibility to return the certificate to the court.**

If you need an extension of time, please contact the court which imposed the sentence. The Department of Motor Vehicles has no authority to grant extensions of time; only the court that sentenced you has that authority.

All classes must be comprised of 400 minutes of instruction, excluding time for registration, breaks and lunch. It is illegal for a traffic violator instructor to intentionally cut instruction time short.

Any person(s) involved in the offering of, or the soliciting for, a Completion Certificate for school attendance in which the person receiving the certificate does not attend, or does not complete the minimum required time of classroom instruction may be found guilty of violating Section 134 of the Penal Code, a felony.

The list has been approved by the Department of Motor Vehicles. It may not be reproduced or modified without prior written approval.
